**SEAHOG** has been reborn and this event is truly a first with all South East Asian HOG Chapters combining to present an one of the most exciting rallies of the HOG International calendar. **SEAHOG 2010** is not to be missed. It is a major event with rally action over 8 days and 8 nights and at least another two days to get home, so book your leave now!

Planned and contributed to by HOG Chapters from Brunei, Indonesia, Malaysia, Singapore and Thailand this rally is sure to be a most memorable experience for all who wish to **RIDE & HAVE FUN!**

The rally will open in Singapore on Friday 4<sup>th</sup> June and it will definitely be a night to remember. We will be welcoming bikers from the other chapters to Singapore for this event and the opening night dinner will have exciting guest speakers. We encourage all who wish to take part in the rally to stay at the hotel in Singapore that night so we can properly enjoy the festivity without worrying about drinking too much and having to get home. Our guests from the other HOG Chapters will appreciate us sticking around and making the night special for them and we will then be ready for the parade ride out from the hotel early Saturday 5<sup>th</sup> June.

We then head for KL and a late lunch at their dealership. Two nights at the Concorde Hotel and bike games and a street party will really prime us for the week in Thailand. We ride out to Hat Yai from KL on 7<sup>th</sup> June and then head for Krabi where we will end the rally but not before four memorable days and nights in this Southern Thailand paradise.

The full Singapore (1 night) Kuala Lumpur (2 nights) Hat Yai (1 night) and Krabi (Four nights) package for a HOG member is USD\$985 (or SGD\$1,428) for riders and other packages are available for Pillions, children and there is even a bus available if you need it. Full details of the package can be found in our brochure which is available at the dealership and HOG Singapore events.

Rates in USD due to multinational component pricing. (fixed conversion rate is 1.45 SGD to 1 USD)

This event has been planned for almost a year already but still due to its complexity not all details are confirmed. We can promise an outstanding trip and a unique and significant opportunity to bond with a very multicultural and multinational HOG community.

Be with us to welcome 150 bikes from at least four other countries (China, Hong Kong and others may join also). Come with us and party in KL and enjoy with us when we ride into the biker's paradise in Southern Thailand.

You will certainly not regret the investment in HOG camaraderie. We will be enjoying not only the riding and great hotels but a boat trip to the islands including (subject to weather) James Bond Island.

Return packages will be announced later. It is expected that we will return staying one night in Georgetown or Butterworth before returning on Sunday 13<sup>th</sup> June to Singapore.

Dealership support mechanics, family coaches, luggage trucks and fuel are all part of the package too! Giving is rewarding too and we will visit a local (Krabi) charity as part of the rally.

Registrations are now open. Commit early and you get to stay in the main hotels. We have booked AoNang Villa in Krabi as our Rally Venue and there are similar hotels as Backups.

Payments can be made in cash or cheque at the clothing counter of Harley Davidson of Singapore. Payments must be in **sealed envelopes** with your name and HOG membership number and SEAHOG 2010 written on the envelope. Receipts will be issued once payment has been received by the registration team. Payments by cheque must be to **Harley Owners Group (Singapore Chapter)** and name and membership number and SEAHOG must be written on the back of the cheque.

Payments can be made directly to:
