Event Recap – Chinese New Year Ride, 31 January 2009

**Message from:
Barney Phillips
Assistant Director**

Every year we find the time to share with those less fortunate around Chinese New Year and this year was no exception with us visiting St Josephs Home in Jurong. On 31st January 2009 we gathered at the dealership to collect donations for the Gong Xi Ride. 37 bikes turned out including four from Red Devils MC and four from Iron Chariots.

Within a short time we were riding, having collected \$1,090 with \$240 going towards Ang Paos and \$850 donated in a cheque to St Josephs. Oranges were again donated by Tony from Custom Cycles.

At St Josephs we assisted some of the older folk to the common room area to receive their Ang Paos and some even provided entertainment to our group by singing.

This was yet another enjoyable Members Monthly Ride where we put something back into the community. Ride Safely and Have Fun!

Barney
